# TOTAL PACKAGING SOLUTIONS

When you're working non-stop to get a new product into the marketplace, you need a packaging partner whose commitment matches yours. At NORDENIA USA, you can count on us to be with you, every step of the way.

## EXPERIENCED

For over forty years, we've worked with leading companies, global and regional, to develop high-impact packaging in industries as diverse as food, hygiene, lawn and garden and pet food. Whether it's a stand-up pouch or bag with convenience features, film for a variety of industrial uses or printed rollstock for form-fill equipment, we've exceeded expectations in both quality and service.

## DEDICATED

We are dedicated to providing fast, friendly and flexible service. We recognize speed-to-market is critical and challenge ourselves and our processes with continuous improvement. Our passion for excellence and commitment to the 'first time right' principle allow us to deliver outstanding quality every order, every day.

## EFFICIENT

Production and transportation efficiencies are achieved with our central location and fully-equipped plant. Our Missouri facility offers on-site cylinder engraving, extruded films, printing, laminating and bag making all at one production site. Ready to support you with technical specifications and packaging solutions is a fully staffed R&D department. These experienced professionals not only ensure that the packaging solutions conform to your filling equipment requirements but they also recommend process improvements.

## RESEARCH and DEVELOPMENT

At Nordenia, "good enough" is never good enough and innovation is a deeply rooted part of our corporate culture. Together with our customers and suppliers, we continually explore, evaluate and develop market-driven products and processes that can pave the way for new, value-added and profitable solutions for you. Utilizing these internally developed processes as well as the latest technological advances available, we offer our customers total packaging solutions to meet their specialized needs.

# Packaging Success Worldwide

"In this business, it's all about time-to-shelf, quickness to market. So really, your printer is your partner. And Nordenia has definitely partnered with us (on this program). They are a major supplier for us and are worth their weight in gold."
